

Welcome to Promise Land Bible Church
We're glad you're here!

An open Bible is shown from a low angle, looking up at the pages. The pages are filled with text, which is slightly blurred. The background is a bright blue sky with wispy white clouds. The text "Prophecy in the News" is overlaid in the center of the image in a large, bold, black font.

Prophecy in the News

Hosea 4:1-6a Hear the word of the LORD, O children of Israel, **for the LORD has a controversy with the inhabitants of the land.** There is no faithfulness or steadfast love, and no knowledge of God in the land; there is swearing, lying, murder, stealing, and committing adultery; **they break all bounds, and bloodshed follows bloodshed.** Therefore **the land mourns,** and all who dwell in it languish, and also the beasts of the field and the birds of the heavens, and even the fish of the sea are taken away. Yet let no one contend, and let none accuse, for with you is my contention, O priest. You shall stumble by day; the prophet also shall stumble with you by night; and I will destroy your mother. **My people are destroyed for lack of knowledge;**

It has begun!

1 Peter 4:17-19 For it is time for judgment to begin at the household of God; and if it begins with us, what will be the outcome for those who do not obey the gospel of God? And "If the righteous is scarcely saved, what will become of the ungodly and the sinner?" Therefore let those who suffer according to God's will entrust their souls to a faithful Creator while doing good.

An Exercise in Obedience: People Are Being Conditioned to Take the Mark of the Beast

Doctors lay out plan to **'punish' people who refuse coronavirus vaccine: 'There is no alternative'**

'Simply put, getting vaccinated is going to be our patriotic duty,' and America should consider making it difficult for the unvaccinated to participate in society,

Now, allow me to reword the above quote as coming from the Globalist Press during Tribulation:

"Globalists lay out plan to 'punish' people who refuse the mark of the beast: 'There is no alternative'

'Simply put, getting the mark is going to be our Globalist duty,' and the World should consider making it 'impossible' for the un-marked to participate in society."

Mainstream media "scientists" threaten punishment for refusers of coronavirus vaccines, regardless of their safety

([Natural News](#)) A handful of mainstream "scientists," writing for fake news outlet *USA Today*, has published [a new op-ed](#) that **calls for everyone in America to either take a Wuhan coronavirus (COVID-19) vaccine or else be punished by the state.**

Michael Lederman, Maxwell J. Mehlman, and Stuart Youngner, in a piece entitled, "Defeat COVID-19 **by requiring vaccination for all.**"

It's not un-American, it's patriotic," **contend that the only way to overcome the *plandemic* is to force everyone to be vaccinated - *no exceptions*.**

"To win the war against the novel coronavirus that has killed nearly 163,000 people in this country, **the only answer is compulsory vaccination** - for all of us," they write.

Revelation 13:16-17 Also it causes all, both small and great, both rich and poor, both free and slave, **to be marked on the right hand or the forehead**, so that **no one can buy or sell unless he has the mark**, that is, the name of the beast or the number of its name.

The COVID-19 vaccine...

Is this THE final goal of this crisis, to impose a compulsory vaccination on everyone, with a biometric health passport and without it, the impossibility to move, to buy, to eat?

The near future will tell. With time, the accumulation of side effects, the testimonies of more and more doctors, vaccination has become a subject of controversy, often passionate, sometimes violent.

This is not just a question of being for or against vaccination in general.

It is about **being vigilant** in the face of enormous pressure from companies and governments to inject billions of healthy people with a hastily manufactured product, using **immature technologies such as DNA manipulation**, with as yet unknown side effects.

The cure should not be worse than the disease. Given the fear, the terror in people's minds, given the enthusiasm of certain leaders and given the power of the vaccine companies and manufacturers, **will we, as ordinary citizens, be able to resist, keep our cool and prevent these people from playing with our health?**

Revelation 12:10-12 And I heard a loud voice in heaven, saying, "**Now the salvation and the power and the kingdom of our God and the authority of his Christ have come**, for the accuser of our brothers has been thrown down, who accuses them day and night before our God. And **they have conquered him by the blood of the Lamb and by the word of their testimony, for they loved not their lives even unto death**. Therefore, rejoice, O heavens and you who dwell in them! But **woe to you, O earth and sea, for the devil has come down to you in great wrath, because he knows that his time is short!**"

Horowitz: Exposing The MASKerade: The Questions Every American Should Be Asking About Indefinite Mandates

The trope of "just shut up and wear a mask" is not science, ordered liberty, or constitutional governance. It's what they do in North Korea. We need real debate on the effectiveness of masks, the type of masks, the situations in which they are worn, the duration of time, the benchmarks that need to be met to measure effectiveness, and the process for promulgating these rules. **We are no longer 24 hours into an emergency.** We are four months into this virus, and it's time to function like the representative republic that we are.

Fed partnering with MIT to develop "hypothetical digital currency"

The Fed is investigating whether a central bank digital currency (CBDC) would be safe and efficient for widespread use

The Federal Reserve Bank of Boston [is partnering](#) with the Massachusetts Institute of Technology to develop, test, and research a hypothetical [digital currency](#) over a two to three year period.

Federal Reserve Board Governor Lael Brainard said that [the Fed](#) is investigating whether a central bank digital currency (CBDC) would be safe and efficient for widespread use.

"Given the dollar's important role, it is essential that the Federal Reserve remain on the frontier of research and policy development regarding CBDCs," [Brainard said](#) at the Federal Reserve Bank of San Francisco's Innovation Office Hours. "As part of this research, central banks are exploring the potential of innovative technologies to offer a digital equivalent of cash. Like other central banks, we are continuing to assess the opportunities and challenges of, as well as the use cases for, a CBDC, as a complement to cash and other payments options.

Chinese Virologist Claims CCP-Created Wuhan Virus A "Chimera" - Fauci & WHO Covering For China

Dr. Yan fled China to expose one of the biggest scandals the world has ever seen

A virologist named Li-Meng Yan, who was a researcher at the University of Hong Kong's School of Public Health, recently claimed the Wuhan coronavirus (COVID-19) **was created by the Chinese Communist Party** and that the World Health Organization (WHO) and Dr. Anthony Fauci are **covering up for China.**

In an interview with YouTube channel G-Translators last week, Dr. Yan explained that she's been living "under the control of the CCP government for over 30 years," making it easy for her **to understand how the communists control the voices of local "authorities."** Li-Meng arrived in The United States in April [after she fled China to become a whistleblower](#) **whose goal is to expose the origin of COVID-19.**

Dr. Andrew Wakefield warns about coronavirus vaccines and outrageous legal immunity for vaccine makers in must-see interview

([Natural News](#)) Dr. Andrew Wakefield, creator of the bombshell new film "[1986: The Act](#)," **unloads on the deep corruption of the criminal vaccine industry** in a new *Brighteon Conversations* interview (below).

As he explains in the interview, the 1986 decision by the U.S. Congress **to grant total legal immunity to vaccine manufacturers** has resulted in decades of malicious fraud, faulty product manufacturing and millions of children **being harmed by unsafe vaccines.**

And today, as we're facing the imminent release of fast-tracked coronavirus vaccines - which are being rushed through the approval process **with complete abandonment of any principles of safety or efficacy** - the aggressive media **push for mandatory immunizations of billions of human beings** raises the specter of seeing **millions of people harmed or killed by coronavirus vaccines.**

Doctor warns that COVID-19 vaccine could alter your DNA

([Natural News](#)) The current push **underway to develop a vaccine against COVID-19** in record time has many medical professionals concerned, even those who are normally in favor of vaccines. **One of the big areas of worry related to the effort is DNA damage.**

Internal medicine specialist Dr. Carrie Madej posted a video online recently in which she outlined her [concerns about a vaccine](#).

Matthew 24:15-22 "So when you see the abomination of desolation spoken of by the prophet Daniel, standing in the holy place (let the reader understand), then let those who are in Judea flee to the mountains. Let the one who is on the housetop not go down to take what is in his house, and let the one who is in the field not turn back to take his cloak. And alas for women who are pregnant and for those who are nursing infants in those days! Pray that your flight may not be in winter or on a Sabbath. For then there will be great tribulation, such as has not been from the beginning of the world until now, no, and never will be. **And if those days had not been cut short, no human being would be saved. But for the sake of the elect those days will be cut short.**

2 Corinthians 6:15-18 What accord has Christ with Belial? Or what portion does a believer share with an unbeliever? **What agreement has the temple of God with idols? For we are the temple of the living God**; as God said, "I will make my dwelling among them and walk among them, and I will be their God, and they shall be my people. Therefore go out from their midst, and be separate from them, says the Lord, and touch no unclean thing; then I will welcome you, and I will be a father to you, and you shall be sons and daughters to me, says the Lord Almighty."

Hebrews 2:14-17 Since therefore **the children share in flesh and blood**, he himself likewise **partook of the same things**, that through death he might destroy the one who has the power of death, that is, the devil, and deliver all those who through fear of death were subject to lifelong slavery. For surely it is not angels that he helps, but he helps the offspring of Abraham. Therefore **he had to be made like his brothers in every respect**, so that he might become a merciful and faithful high priest in the service of God, to make propitiation for the sins of the people.

The Future of Technology and International Development: the trigger for the imposition of police-state controls on movement, economy, and other areas of society

The epidemic playing out in China and two dozen other countries, including the US, is unfolding in line with a decade-old [simulation](#) titled “[Lock Step](#)” devised by the Rockefeller Foundation in conjunction with the Global Business Network.

The scenario, one of four included in a publication called “Scenarios for the Future of Technology and International Development” in 2010, describes a coronavirus-like pandemic that becomes the trigger for the imposition of police-state controls on movement, economy, and other areas of society.

The Lock Step scenario describes “a world of tighter top-down government control and more authoritarian leadership, with limited innovation and growing citizen pushback.”

In “2012” (i.e. two years after the report’s publication), an “extremely virulent and deadly” strain of influenza originating with wild geese [brings the world to its knees](#), infecting 20 percent of the global population and killing 8 million people in just seven months – “the majority of them healthy young adults.”

[It devastates global economies](#) and ruptures international trade. But not everyone, the Rockefeller Foundation makes clear, is hit equally.

“A few countries did fare better – China in particular. The Chinese government’s quick imposition and enforcement of mandatory quarantine for all citizens, as well as its instant and near-hermetic sealing-off of all borders, saved millions of lives, stopping the spread of the virus far earlier than in other countries and enabling a swifter post-pandemic recovery.”

The message is clear – police state good, freedom bad. And other governments rapidly get the message, according to the simulation.

Internal medicine specialist Dr. Carrie Madej posted a video online recently in which she outlined her [concerns about a vaccine](#). She **explained that human DNA is not fixed**. People's genes can be **reprogrammed and turned off and on** to bring about changes in the body that can improve their health - or **compromise it**. Stress, diet and toxins can reprogram our genes, **as can the lab-created genetically modified cell lines that are used in developing vaccines**.

Red Blood Cells Harnessed as Nanoparticle Carriers for Vaccines

Researchers led by a team at Harvard's Wyss Institute for Biologically Inspired Engineering and John A. Paulson School of Engineering and Applied Sciences (SEAS) have **harnessed an innate immune function of red blood cells to build a platform technology that uses erythrocytes to deliver antigens to immune system** antigen-presenting cells (APCs) in the spleen, **generating an immune response**. Initial experiments showed that the technology, which they've called erythrocyte-driven immune targeting (EDIT), successfully slowed the growth of cancerous tumors in mice. The team suggests that the **nanoparticle-carrying red blood cells could be used as a biocompatible adjuvant for a variety of vaccines**.

Is A Euthanasia Program Underway In The US Under The Guise Of COVID-19?

There is a growing amount of scuttlebutt among a large amount of the US population today who believe COVID-19 is **being used as a ruse for a massive nationwide euthanasia program**. This is due to the fact that we are told the disease is especially dangerous for people in their 60s and older, those who have chronic health problems, the disabled, and even certain races, the concern seems founded.

<https://www.dcclthesline.com/2020/08/15/is-a-euthanasia-program-underway-in-the-us-under-the-guise-of-covid-19/>

Since the whole coronavirus outbreak **was the nuclear option for the Socialist Left to remove President Trump from office by destroying his main achievement a bustling economy**, they have gone a step further and are **now using it as an excuse to euthanize people.**

Another aspect of a euthanasia program under a Socialist government **would be the elimination of all those who are not productive to their society and are costing the government billions per year.** This would include all senior citizens who are retired, those too sick to work, the mentally and physically handicapped, and the large percentage of the population who are unskilled, chronically unemployed, and are on government assistance.

Revelation 2:8-11 "And to the angel of the church in Smyrna write: 'The words of the first and the last, who died and came to life. "'I know your tribulation and your poverty (but you are rich) and the slander of those who say that they are Jews and are not, but are a synagogue of Satan. **Do not fear what you are about to suffer.** Behold, the devil is about to throw some of you into prison, **that you may be tested,** and for ten days you will have tribulation. **Be faithful unto death, and I will give you the crown of life.** He who has an ear, let him hear what the Spirit says to the churches. **The one who conquers will not be hurt by the second death.'**

CDC director agrees hospitals have monetary incentive to inflate COVID-19 data

U.S. Centers for Disease Control and Prevention Director Robert Redfield acknowledged during a [House hearing](#) Friday that **COVID-19 data could be inflated because hospitals receive a monetary gain by reporting COVID-19 cases.**

Republican Rep. Blaine Luetkemeyer of Missouri questioned Redfield during a House Oversight and Reform subcommittee hearing on coronavirus containment. He asked about the "perverse incentive" for hospitals to classify deaths as being coronavirus related when the virus didn't cause the death.

Vatican Issues New Pontifical Academy Directive Blaming Humans For Covid-19, Say MOTHER EARTH Was Forced To Attack Us With Virus Because Of Our Sins Against Her

While the lengthy directive from the Vatican fails to mention God, the Holy Spirit, Jesus or any other tenant of traditional Christianity, it squarely takes on members of the body of Christ and humanity in general as reaping what we have sown by our abusing of all-mighty GAIA with our actions.

Revelation 13:11-14 Then I saw another beast rising out of the earth. It had two horns like a lamb and **it spoke like a dragon**. It exercises all the authority of the first beast in its presence, and **makes the earth and its inhabitants worship the first beast**, whose mortal wound was healed. It performs great signs, even making fire come down from heaven to earth in front of people, and **by the signs that it is allowed to work in the presence of the beast it deceives those who dwell on earth**, telling them to make an image for the beast that was wounded by the sword and yet lived.

The Bigger Covid-19 Picture Has Come Into Sharp, Clear Focus And It Is Horrifying - More Signs Emerge Of Where Democrats Are Trying To 'Herd' America In 2021 And Into The Future

As Professor Ferry had proven within this linked ANP story, most Americans are missing the ties between Bill Gates, a Covid 19 vaccine and the globalists long-held push for digital ID's and the Covid-19 deception has offered the globalists the perfect opportunity to bring about the full implementation of their '*Global Control Grid*' as we're now seeing rolled out in various locations across the world.

With the lead story over at Reuters reporting that the government in Singapore will begin using '*electronic tags*' to enforce Covid-19 quarantines hinting at the Orwellian direction we're now heading in, with the devices tracking their wearers' every movement and any attempts to leave their '*home detention*' location triggering an alarm that alerts authorities, a new story over at Infowars gives us an even bigger taste of where the world is heading if the democrats/globalists get their way.

As Infowars reports in this new story, *police in Melbourne, Australia now have the power to enter people's homes without a warrant and perform 'spot checks' to enforce compliance with new coronavirus lockdown rules.*

Australian police go FULL NAZI, smashing in windows of civilian cars just because passengers wouldn't give details about where they were going

([Natural News](#)) The Australian police have gone full Nazi combining their fascist-looking uniforms with **violent tactics for obtaining private information from citizens who haven't broken the law**. These power-crazed, hot-headed maniacs are functioning as if Hitler **gave them direct orders to get everyone's "papers" at all costs**. However, there are a definitive 17 elements of martial law that we can analyze in order to gauge the progress America is making with regard to to being under total martial law. The 17 elements of martial law are:

1-Mass roundup of political dissidents

2-Dusk to dawn curfews

3-Rationing of essential resources

4-The seizing of personal assets such as food and water

5-Control over all food and water

6-The prohibition of weapons of any kind including guns, knives or chemicals which can be turned into explosives

7-The confiscation of property, homes and businesses

8-Arrests without due process

9-Massive “papers please” checkpoints with intrusive searches

10-Forced relocations

11-Forced conscription into various labor camps and even into the military

12-Outlawing of free speech

13-The installation of massive surveillance programs and the establishment of snitch programs

14-The total control or elimination of religion

15-Control of the media

16-Executions without due process of law

17-Total suspension of the Constitution

How many of these 17 elements are in place, or, are being put into place?

Something is being planned ... this comes from

America – the greatest nation on earth – **is currently facing unprecedented times of social unrest**, and dare I say, **this is just the beginning.**

America has been preparing for massive social uprisings for a very long time (a quick research on the topic will reveal this truth). What I am about to tell you next might come as a surprise for some of you, but most of the things that we experience are being manufactured.

Never in my lifetime have I seen America so divided.

Our politicians and the mainstream media have been endlessly pitting various groups against one another for years, and everywhere you look, hearts are growing very cold.

Matthew 24:12 And because lawlessness will be increased, the love of many will grow cold.

During difficult times, **we must safeguard the values and interests of the American people.** But manufacturing nation-wide protests during confusing times may be just what some might wish for in order to divide and destabilize the country in exchange for the ability to control us at all times. In case we don't comply with their "desires" **we will face dire consequences,** as the infamous Zbigniew Brzezinski, the imperialist/globalist/war-monger and former policy advisor to Obama, said:

"Today, it is infinitely easier to kill a million people than to control a million people".

Returning to the fact that Soros is behind most of the protesters' actions, we must acknowledge that the fundamental reason for inciting violence is to create favorable circumstances for the President to legitimately institute martial law if the riots continue on the same path. This is how it will work:

- The current protests are spreading rapidly, and when there is an increase in both violence and numbers, this movement will inevitably grow into a national riot.
- If needed, due to extensive clashes, martial law will be declared. There is a good chance that this has been the back-up plan for some liberals all along (as mentioned earlier, **there's proof the protests are being staged**) in order **to further advance the globalist agenda.**

So, here's a glimpse of how life will be when martial law comes into effect:

- 1.) Everything we own can become federal property** (especially guns and food stockpiles, which will be the first to be confiscated).
- 2.) Curfews will be the new normal**, while groups of armed men and women will patrol the streets at all times.
- 3.) Access to food, water and other resources will be rationed.** If your life depends on a daily dose of medication, you should start storing it in advance.

4.) There will be **sky-high inflation**, and with a national debt of \$26.5 trillion, the stage is set to skyrocket a new financial crisis that will make the 1930s Depression look like a walk in the park.

5.) Everyone will be considered suspicious. **A short chit-chat with your neighbor about the “wrong” things can put your life on the line.**

6.) There will be no access to free Internet, while free press and the **freedom of speech will be things of the past.**

The 6 Golden Rules of Surviving Martial Law

Prepper or no prepper, these are the 6 Golden Rules to follow if martial law comes to your town:

1. First and foremost, talk with no one and trust no one. Although the clear majority of preppers are already set to outlast any scenario that cuts them off from all the common supply lines, we must remember that under martial Law, everything that we own is able to become government property. Therefore, do not tell people about your supplies or secret hide-outs. I know it's hard not to brag about your preps, but be careful to whom you're talking

2. Always renew your supplies and make sure you have a “basic martial law survival kit.”

A basic martial law survival kit would imply the following: electricity generator, water filters or even water generators (H2O Dynamo), weapons, food supplies **for six months**, first aid supplies, clothing for any type of weather, a flashlight, batteries, radio gear, and navigation equipment.

Of course, you'll need these if you want to stay put. If you want to go outside and face the music...that's a different story.

3. Avoid getting in the way of law enforcement or the military.

Even though some would advise that we be resilient to any violations of your constitutional rights, which, by the way, will be justified under martial law, the **best survival tactics are to *keep your cool and think before you react***. You can always choose to fight back.

These two options – **bugging in or bugging out** – will cause you to probably face the hardest decision of your life.

4. Tune in and be up to date with the news.

It is **crucial to stay informed** and keep in touch with whomever you consider important. Every media outlet, as well as the Internet, **will be controlled by the federal government**, and you will not have access to any other information except what is being communicated by the state.

Although this might be upsetting, **you still need to know what is going to happen so you can be prepared for any situation.**

5. Cautiously develop a survival network.

Establishing a survival network would be an excellent idea considering the fact that we can never know for how long martial law will be imposed.

Consequently, setting up a diverse group of preppers will ensure your long-term survival. But **make sure you keep a low profile so that you and your group will not be targeted as perpetrators.**

6. Inspect and know your surroundings by heart.

You should be able to visualize your home turf even in your sleep. Ideally, you would also have a safe room.

Make sure you have a blueprint of your area where you mark the closest escape routes, develop the quickest itinerary to a safe haven, and **formulate the best and safest evacuation strategy.**

Psalm 91:3-10 For he will deliver you from the snare of the fowler and from the deadly pestilence. **He will cover you with his pinions, and under his wings you will find refuge;** his faithfulness is a shield and buckler. You will not fear the terror of the night, nor the arrow that flies by day, nor the pestilence that stalks in darkness, nor the destruction that wastes at noonday. A thousand may fall at your side, ten thousand at your right hand, **but it will not come near you.** You will only look with your eyes and see the recompense of the wicked. Because you have made the LORD your dwelling place-- the Most High, who is my refuge--**no evil shall be allowed to befall you, no plague come near your tent.**

Psalm 91:11-16 For he will command his angels concerning you **to guard you in all your ways.** On their hands they will bear you up, lest you strike your foot against a stone. You will tread on the lion and the adder; the young lion and the serpent you will trample underfoot. **"Because he holds fast to me in love, I will deliver him; I will protect him, because he knows my name. When he calls to me, I will answer him; I will be with him in trouble; I will rescue him and honor him. With long life I will satisfy him and show him my salvation."**

Do you know Him?

What can we do?

1. Report for duty. We must be in Christ and acknowledge that we are at (Spiritual) WAR.
2. Stay in constant contact with (Almighty God)HQ.
3. Get our supplies in order (prepare for hard times)
4. Know our weapons (remember our weapons are not carnal, but spiritual).
5. Don't fall asleep on duty (Be alert, sober minded)
6. Fight! (Get involved, fight that good fight of faith!)
7. Always keep the mind of Victory (Jesus has already won the battle, and it is in His Power, we win!)

It isn't about us! It's about souls!
